

INTERNATIONAL YACHT SUPPLIER

ABOUT US

Superyacht Chandlers, based in Viareggio, Tuscany (Italy), is a premier chandlery and yacht supplier company. Superyacht Chandlers is here to help you manage on-board spare parts efficiently, thereby saving yourself and your crew a great deal of time, hassle and money. The company was founded in 2012 in Viareggio, where it's headquartered today. The company core business is the swift, economical supply of spare parts and equipment to vessels under construction as well as yachts already sailing the world's seas. The main goal of Superyacht Chandlery is to ensure its clients never need to compromise on the

pleasure of sailing due to problems with supply procurement. Superyacht Chandlers team assists in every aspect of the yachting industry: from the engineering and deck expertise, to the interiors, galley equipment and appliances, uniforms, toiletry luxuries, safety and medical supplies, cordage and anchor hardware, custom items of all kinds, worldwide shipping, new building projects, storage facilities and any provisions needed. If you want to save your time and your boss money, there is no better alternative in the industry that will serve you completely.
