ARAMARA

Aramara is the result of an afternoon spent in the kitchen of a Sicilian pastry chef, who collected his skills to reveal the countless secrets of bitter orange. Formulated as a High pastry product, Aramara is a gourmand fragrance: its intense and citrus top notes are animated by the delicacy of bergamot, and sweetened by a note of bottom sandalwood.

ETRO

EDEN (UDAIPUR)

Udaipur embodies the primary inspirations of the Maison, reinterpreting them through the various shades of a fragrance that evokes both summer in the Mediterranean and gardens of the Maharaja. The Sambac jasmine with the angelic appearance and noble of its petals, represents the blessings during the rites wedding, bestowing grace, good luck and romance. This fragrance is an ode to the mastery of Italian artisans, to the magic of India and the many connections between these two worlds, that in time has woven a story of the imaginary.

PALAIS JAMAIS

From the name of an ancient Moroccan palace, comes a perfume which recounts contemplation in a sacred garden, dusk from the air heavy with oriental jasmine. A refuge for the soul where we can find, when needed, energy and balance; an escape from the world and from everyday life, to envelop us in the energy of a new spirituality.

BENETROESSERE-RELENT

True Eden is never a precise place; we must learn to create it within us, to bring with us a little serenity that can be evoked by aromas that brighten the heart. A harmonious whole that is neither masculine nor feminine, only complete.

ANGELI DI FIRENZE

Officina's 2006 fragrance is a tribute to the recent history of Florence, which we witnessed, and which we have been part of it for the last 800 years. Juicy peach meets marine notes, sweetened by currants black and illuminated by jasmine. They are balanced by musk and sandalwood and accompanied by an elegant note of vanilla. Our Colony has now lent its unique character to the precious Firenze 1221 editions of Body Cream, Bath Gel and Liquid Soap.
